PRODUCT DATASHEET

Weather Ready Power Select

WR2A3ACE

FLEXIBLE

- Use whatever batteries you have on hand – AA, AAA or C

HANDY

- Integrated alert whistle
- Safety checklist on flashlight body

BRIGHT

- Four premium Nichia® LEDS provide ample light

ECONOMICAL

- Lifetime LEDs never need replacing
- Extended runtime means fewer battery changes

Built to withstand tough weather conditions, the WR2A3ACE is a great light to keep handy. The O-ring seals protect the interior from the weather, and the light will work with the batteries you have on hand – AA, AAA or C. An integrated alert whistle, safety checklist on the flashlight body and reflector strips on the head all add to this light's value as part of any emergency preparedness kit.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
